Clean City Green

Green cities have clean air and water and pleasant streets and parks. Green cities are resilient in the face of natural disasters and the risk of major infectious disease outbreaks in such cities is low. Green cities also encourage green behaviour, such as the use of public transit, and their ecological impact are relatively small.

HEALTH DEPARTMENT

In the month of March, 2017 Municipal Corporation, Amritsar organized a special Sanitation drive to clean surrounding areas of Amrit Anand Park. Review meetings regarding Swachh Bharat Mission were also organized under the Chairmanship of the Joint Commissioner, Municipal Corporation, Amritsar.

Micro plan of Integrated Municipal Solid Waste Management Project for Amritsar cluster was also approved by the Government. Now the consortium of M/s. Essel Infra projects limited & M/s Hitachi Zosen India Pvt. Limited, Mumbai has started the work of collection & transportation of garbage from the outer city of Municipal Corporation, Amritsar w.e.f. 14th August, 2016. All the Sanitary Inspectors have been directed to inspect the working of the company and make sure that 100% lifting of garbage from the concerned areas is going on. M/s, Amritsar MSW Limited have started the garbage collection from 52 wards of the city. The company has been directed to do lifting of 100% garbage from all the wards of the outer city.

Joint Commissioner, Municipal Corporation, Amritsar hold meetings with sanitation staff along with the representatives of the Amritsar Municipal Solid Waste Limited regarding sanitation of the city. At random checking of the roads was done by the Joint Commissioner and necessary directions were issued to the Chief Sanitary Inspectors and Sanitary Inspectors to ensure 100% lifting of the garbage and cleaning of the roads.

All Chief Sanitary Inspectors and Sanitary Inspector of Health Department were directed to promote Swachhta App at large scale in city for redressal of complaint regarding Sanitation works.

Special Night checking of Mechanical Sweeping work was done by the area Chief Sanitary Inspectors and Sanitary Inspectors along with Senior Assistant Manager, PMIDC, Amritsar Cluster and directions were given to M/s. Amritsar MSW Limited as well as to M/s. Lion Services Ltd. Amritsar to bring improvement in their work. M/s. Amritsar MSW Limited was directed to provide secondary point bin and M/s. Lion Services Ltd. company was directed to pick up the litters properly and carry it to the dumping ground at Bhagatanwala designated land for dumping of Municipal Solid Waste as well as Mechanical Sweeping Waste for Amritsar city.

LAND DEPARTMENT

Land department of the Municipal Corporation, Amritsar has constituted two teams under the supervision of inspectors for the removal of temporary encroachments from foot paths and roads. Apart from dealing with the complaints received in the department, these teams remove temporary encroachments from different parts of the city. Removal of encroachments is an ongoing process and is being under taken on daily basis.

Apart from above exercise, the Enforcement Monitoring Committees have been constituted which hold weekly meetings and are regularly removing permanent encroachments from different parts of the city at regular intervals.

Also the shopkeepers in the markets are being regularly warned through Public Address System to keep their merchandise/goods within their shops/premises and not to display the same on roads/footpaths. Apart from regular removal of temporary encroachments from roads and footpaths from different parts of the city, major anti encroachments drives were also carried out by the Sub Enforcement committees at Ghee Mandi Chowk, Katra Jaimal Singh, Ram Bagh & Chheharta. The Land Department also collected around Rs. 8.10 Lacs as Rent of shops and Rs. 11.56 Lacs as Tehbazari during the month.
