## Clean City Green City

***Green cities have clean air and water and pleasant streets and parks. Green cities are resilient in the face of natural disasters and the risk of major infectious disease outbreaks in such cities is low. Green cities also encourage green behaviour, such as the use of public transit, and their ecological impact are relatively small.***

## MUNICIPAL CORPORATION AMRITSAR

### Amritsar Smart City :-

#### Smart City Ltd. (ASCL) Projects gain momentum in Amritsar

#### CEO clarifies misconception on MLCP, Kairon Market

**5<sup>th</sup> September 2018;** To solve the problem of traffic congestion in the city, ASCL envisages developing Multi Level Car Parking Projects; in the first phase, MLCP is planned to be developed in Kairon Market. The concerned authorities held a meeting with local residents/ Market Association to understand their aspirations and also considered their views/ observations about the project on 5<sup>th</sup> September 2018. Ms. Deepti Uppal, IAS, CEO, ASCL in the exhaustive meeting with the Stakeholders from Kairon Market Association explained the nuances of the Project, solved all the queries, cleared all the misconceptions/ doubts about the project and also re-assured the members of MTAs regarding their safety and security during and after the construction of the MLCP.

#### BoD's Meetings; Over view of ongoing projects and proposal for the new projects

**11<sup>th</sup> September 2018;** 4<sup>th</sup> Meeting of Board of Directors of ASCL was held under the Chairmanship of Principal Secretary, Sh. Venu Prasad IAS, Punjab at Punjab Municipal Bhawan, Chandigarh on 11<sup>th</sup> September 2018. A review of projects was undertaken as in:- Development of Parks and Open Spaces, Multi Level Car Parking, ICCC, LEDs Project, Strengthening of Underground Waste Water Service, Development of Spaces Under Flyovers, 24x7 water supply, Tourists Information Centres, Provision for free wi-fi, Smart Roads, Solar Roof Top, Charging Stations, Signage and Branding, Rejuvenation and Beautification of Tung Dhab Drain and few more upcoming projects being conceived.

## Beautification of Left over places under ASCL Project

**17<sup>th</sup> September 2018;** One of the major components of Smart City Mission is to increase the green cover area of the city and to mitigate the ill effects of pollution and global warming. To achieve this goal the development project for the spaces below flyovers has been added in ASCL development projects. A meeting was held at PUDABhawan, Green Avenue, under chairmanship of Ms Deepti Uppal, IAS, CEO ASCL, to discuss and to evaluate DPR & RFP of this project. The selected spaces for this project are under elevated loop from Bhandari Bridge to

Taran wala Pul flyover on GT Road and the spaces under Kichlu flyover. The benefits of this project are utilization of unused spaces beneath the flyovers; maximize greenery, planting shade loving plants to control the pollution, providing parking facility to the public and developing places for public recreational activities. The team is also trying to add the possibility of developing Vending Zones under the Project.

## Gift of Free wi-fi service to visitors of Heritage Walk Area

**17<sup>th</sup> September 2018;** A meeting was held at PUDA Bhawan, Green Avenue, headed by Ms. Deepti Uppal, IAS, CEO ASCL to have discussion on the status of DPR and RFP of Public Wifi implementation in Heritage Walk area of Golden Temple in Amritsar. The scope of the project is envisioning benefit to the citizens, tourists, and pilgrims during their visit to this place.

## Problem of walled city Sewerage system will be solved

**25<sup>th</sup> September 2018;** A City Level Technical Committee Meeting, headed by Deepti Uppal, IAS, CEO ASCL was held at PUDA Bhawan Green Avenue, Amritsar,. The topics of discussion were Construction of Trunk Storm Water Drainage & Allied Works, Strengthening and Rehabilitation of Sewer Network with House Connections for sullage in ABD area under Smart City Scheme and to evaluate DPR & RFP. Under this project problem of accumulation of water during Monsoons shall be obviated; mixing of Sewerage with drinking water shall be eliminated and surcharge of sewerage in Walled City shall be addressed.

## Bidders of LED project shared their queries

**28<sup>th</sup> September 2018;** To improve the energy efficiency in the existing street lighting system and save on the energy cost, ASCL has envisioned a project to install more than 63,000 LEDs in PAN city. The tender of LEDs project was floated and a pre-bid meeting with potential bidders was conducted on 28<sup>th</sup> September 2018 at Amritsar Development Authority. The bidders shared queries with the authorities and showed their interest to work on the project.

## Update on Smart City Priority Projects:

1. **MLCP at Kairon Market:** To meet the need of new parking spaces in the city ASCL is working to develop new parking spaces and enhancing capacity of existing ones. Kairon Market Multi Level Car Parking project of ASCL is to solve the problem of parking of hall bazaar area which will increase the current capacity from 70 to more than 400 four wheelers at a time along with 50 two wheelers.

**Estimated Cost:** INR 18.24 Cr

**Tender Floated:** October 2018

**Closing Date:** 10 November 2018

2. **LED street lighting in PAN city:** DPR for Replacement of more than 63,000 conventional luminaries to LED based luminaries got approved from Board of Directors, ASCL. The project will help in reduction of current consumption of power.

**Estimated Cost:** INR38.74 Cr. Approx

**Tender Floated:** 9 September2018

**Pre- Bid:** September 2018.

**Tender Closing Date:** 23 October 2018

3. **ICCC:** The ICCC project is to transform Amritsar City into a Safe and Smart City. The Project will help Administration in City operations by controlling Municipal Corporation and Police functions through City Command Centre. Smart components of ICCC are City surveillance, Automated Number Plate Recognition, Public Address System, Panic Button and emergency call box, Air quality sensors, Water Quality analyser, Municipality solid waste vehicle tracking.

**Estimated Cost:** INR 94.64 Cr. Approx.

**DPR status:** Approved by BoD

**RFP status:** Under approval process

**Tentative date of release of RFP:** October2018

4. **Development of Open Spaces & Parks:** To increase the green cover and meet the healthy liveability index. The project is envisaged to transform defunct open spaces & parks in the city and make them attractive social & recreational centres. 65 parks are identified over all, out of which 17 parks are being developed in first phase.

**Estimated Cost:** INR 3.83 Cr. Approx

**RFP status:** retendering in October 2018

5. **Development of Spaces below flyovers:** To convert urban voids/negative spaces below flyovers to effective spaces in the form of public recreation areas, green zones, organized parking areas etc. which will contribute to the image of the city and improve the quality of environment.

**Estimated Cost:** INR 9.93 Cr. Approx.

**DPR Status:** Approved at CLTC

**RFP Status:**Under approval process

**Tentative Date of release of RFP:**October2018

6. **Public Wi-Fi Implementation:** Public Wi-Fi network shall provide visitors and citizens easy access to information and internet service at Heritage Walk area of Golden Temple. The project will boost to economic development, increased access to digital world and digital inclusion for all segments of the society in the city. Total 20 access points at Golden Temple Heritage walk area (1km) will be provided to cover 60,000 users per day at the speed of 3Mbps for first 30 min. & 1 Mbps for next 30 min.

**Estimated Cost:** INR 2.53 Cr. Approx.

**DPR Status:** Draft Submitted

**RFP Status:** Draft Submitted

7. **Smart Roads:** The Outer Circular road around the walled city of Amritsar has been selected by for development under the smart roads programme. The 7.4 km Loop road along with the 1.4 Km. Hall bazaar loop road, Ramsar road, Katra Ahluwalia road will be upgraded to smart roads through several initiatives such as Smart traffic management measures, Redesigned Junctions, Improved Pedestrian Safety, undergrounding of overhead power lines and regulated parking management.

**Estimated Cost:** Under estimation (Around INR 100-150 Cr)

**DPR Status:** Under Preparation

**RFP Status:** N.A.

8. **Strengthening of Sewerage and Storm Water Drainage system in ABD area:** One of the themes proposed under Amritsar Smart City Mission is Intelligent Physical Infrastructure. Under this theme, Amritsar Smart city Ltd. (ASCL) intends to provide innovative solutions to implement sullage connection of all the properties to sewerage system, strengthening of existing sewerage system and providing trunk storm water drainage in ABD area (Walled city has been selected for Area Based Development). The current project has been formulated to connect sullage of all the households to the underground sewer and close the existing road side drains.

**Estimated Cost:** Under estimation (Around INR 106.20 Cr including O&M for 5 years)

**DPR Status:** Approved

**RFP Status:** under progress

9. **Junction Improvement PAN City:** One Under Mobility and Intelligent Transport System, Amritsar Smart City Ltd. (ASCL) intends to improve the major and critical junctions across the city. ASCL has identified 22 critical junctions at city level, which need due interventions to improve upon the overall traffic congestion problems. Municipal Corporation of Amritsar and ASCL has shortlisted three junctions namely Kithclu (Kacheri), Albert Road Crossing and Ram Talai junction on GT road have been taken in first phase of Junction Improvement exercise. **Junction improvement involves** first priority for circulation and Safety of Pedestrian and NMVs, providing adequate corner radii, providing sufficient turning radii, flaring approaches towards intersections, providing channelizers / division islands and providing signs / lane markings / lighting Pavement Markings and Signage.

**Estimated Cost:** Tentative INR 50 Cr

**R Status:** Under Preparation

**RFP Status:** Under Preparation

10. **Smart Streets:** Under Area Based Development (ABD) walled city is shortlisted for redevelopment. Accordingly streets are identified within the walled city area under smart streets projects. Shortlisted as per their historic importance, type of activity and nature of use, i.e. Hall Gate Road and Loop, Katra Ahluwalia and Ramsar Road. The project is a convergence of two schemes – Amritsar Smart City Limited (ASCL) and Prasad, both

under Govt. of India.

**Estimated Cost:**Tentative INR 9.0 Cr

**DPR Status:** Under Approval

**RFP Status:**Under Preparation

### Punjab Urban Development Mission

For the 100% development of Amritsar city under the urban mission (west, center, and south) total no. works allotted under urban mission are 156 amounting to Rs.194.73 cr. out of which 156 no. of works has been completed.

## HRIDAY SCHEME

### 1. Comprehensive road development and Up-gradation of major roads leading to the Golden Temple (Zone 1)

Around 14 numbers of roads have been identified under HRIDAY in the Walled City. The length of each road varies from 217m to 1780m. The Rows of all roads also differ in range from 3.86m to 15.68m

#### **The objective of this project is as follows:-**

- Road lightning is facilitated with architectural shape.
- Roads are strengthened with colour and texture for beautification.
- Roads are paved with different texture, shape and colour to segregate the pedestrian, cycle track and motor vehicle.
- Drains are converted into saucer drain on either side to increase the width of road and to avoid the stringent smell.
- Dustbins are placed at the available corners of roads.
- Provisions of signage are made at important junctions and nodes.

#### **Present Status:**

- 7 roads have been partially completed out of 14 roads.
- Storm sewer cleaning has been done on Hakima Gate road.
- Facade documentation work has been started on the Katra Ahluwalia Road.

**Progress of work:- 88%**

## 2. Re-organizing connectivity and Linkages through Roadscape and Landscape improvement at Goal Bagh ( Zone No.3)

The estimated cost of the project is Rs. 5 Crores

The focus of the DPR within the garden is on improving the underdeveloped areas of the site and providing visitor amenities and shaded areas as visitor resting spaces/ pause points. The detailed works being undertaken are:

- Landscaping and Horticulture works within the garden
- Provision of cycle track, jogging track and features for universal accessibility.
- Visitor amenities, such as toilets and street lighting;
- Creation of spaces for congregation, pavilions ;
- Street Furniture, including benches and dustbins;
- Open Gym for public.

### Present Status

- Jogging track construction is under way;
- New toilet set purposed is also in progress;
- Repair of boundary wall has also started;
- Steps in front of park are completed.

**Progress of work: 100%**

### 3. Revitalization and infrastructure development at 40 Khoo or 40 Wells of Colonial period (Zone No.5)

Estimated cost of the project Rs. 5.00 Crores.

#### SCOPE OF WORK:

- Addressing security and demarcation of edges through a boundary wall;
- Conservation of the 40 wells and colonial period power house;
- Landscaping and Horticulture works within the garden;
- Provision of cycle tracks and features for universal accessibility;
- Small parking and plaza housing visitor amenities, such as toilets and space for vending;
- Provision of focus lighting on the wells and the historic structures;
- Creation of spaces for congregation, OAT, pavilions ;
- Street Furniture;
- Features demonstrating an environmental consciousness, including bio digesters, rain water harvesting chambers etc;
- Interpretation strategy for power house, including signage.

### **Present Status**

- Footpath has been completed;
- Colonial pump house repair and conservation work is underway;
- Boundary wall has been completed upto 800 metres;
- Conservation of wells is also in progress.

Progress of work: 100%

**4. Comprehensive improvement of a mobility corridor along the outer and inner circular road (Zone No.4)**

**The cost of this project is Rs. 5 Crores**

Scope of work:-

- Creation of a pedestrian friendly environment through table top crossings, ramps, bollards, shaded pathways (via tree planting), signage etc. to improve Interface between Goal Bagh and surroundings.
- Provision of pedestrian walkways along the inner circular road to create pedestrian friendly environment including provision of space for cycling;
- Restructuring the road to enable corridors for public transport;
- Street furniture and signage near all crossings (developed as pedestrian nodes in the mobility corridor);
- Rotary redevelopment of Hall Gate including surface treatments differentiated by colour and texture, refuge island, bollards, reflective paint, table top crossings, plantation, water features and public art with a unique illumination scheme on signage.
- Provision of Public Art at important junctions and across reclaimed public spaces towards creating a sense of inclusiveness.

### **Present Status**

- Mastic asphalt has been laid on three rotaries Rambagh Gate, Lohgarh Gate, Hathi Gate;
- Hathi Gate rotary has been reduced in diameter;
- Table top crossings have been done on Lohgarh Gate, Hathi Gate.

**Progress of work: 95%**

### **5. Development of an Environmental park at the UBD Canal for Amritsar (Zone No.5)**

**Estimated cost is Rs. 1.00 Crores**

#### **Scope of work:-**

- Environmental up-gradation of the park;
- Landscape development and provision of signage;
- Revitalize and conserve colonial period Power-House and historic machinery;
- Creation of spaces for congregation, OAT, pavilions.

### **Present Status**

- NOC from forest department is pending.

**Progress of work: 70%**

**6. Structural retrofitting and Up-gradation of the historic fabric of the colonial period building of the Deputy Commissioner of Amritsar's office.**

**The estimated cost of this project is Rs. 2.00 Crores**

### **SCOPE OF WORK:**

- Structural retrofitting of the DC 's office;
- Creation of improved spaces for public who come to the DC's office and lack visitor facilities and amenities, including creation of plaza with areas for seating, landscaping (softscape and hardscape);
- Provision of visitor amenities, such as toilets, cafeterias for improved public use of the visitors to the building.

### **Present Status**

- Electrical fittings have been removed from the building.

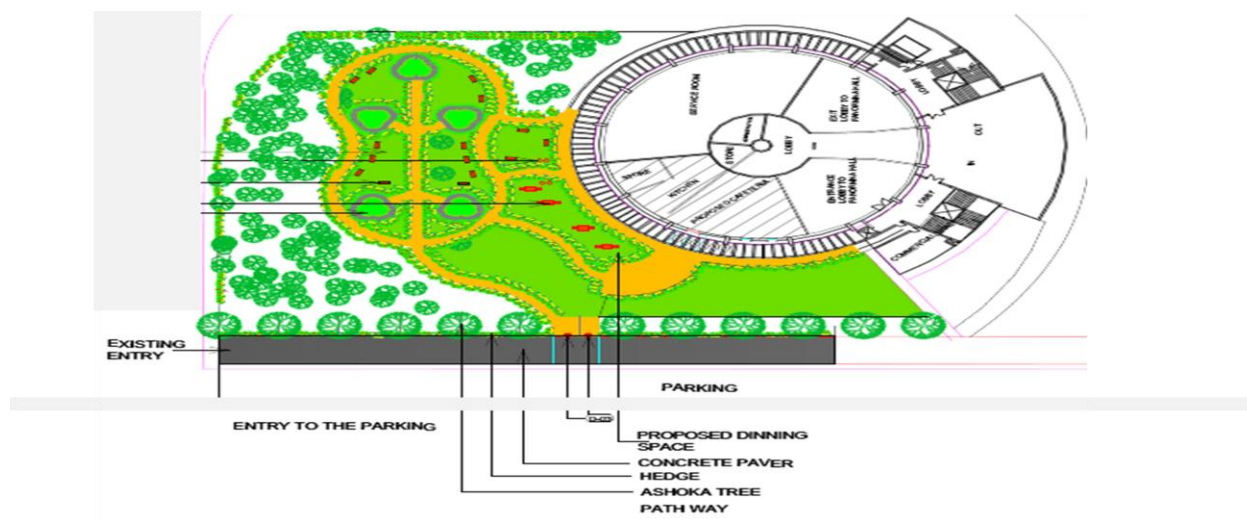

- Dismantling of mortar from the walls is underway.
- Floor work is in also in progress.

**Progress of work: 62%**

**7. Name of work: - Up-gradation of the Maharaja Ranjit Singh Panorama (Zone No.2)**

**The estimated cost of this project is 50 lacs**

• <b>Scope of work</b>
• Deep tube-well
• Repair of AC plant
• Repair and painting of the Building
• Replacing of wall papers in Halls 1,2 &3
• Replacing of mats with tiles in Halls 1,2 &3
• Sprinklers/hydrants
• Landscaping at rear side of the Building.

**Present Status**

- The repair work of walls and floor has been completed.
- Painting has been completed
- AC plant repair is in progress.

**Progress of work: 100%**

## **8. Conservation and Revitalization of Ram Bagh Gate**

**The Total cost is Rs. 1.17 Crore.**

### Scope of Work

- Conserve the gate into its original form by use of old traditional materials;
- Development of new care taker room;
- A new rooftop Cafeteria.

### **Present Status**

- Half of roof has been dismantled and remade;
- Caretaker room is in progress;
- Conservation of the building is also in progress.

**Progress of work: 100%**

## **Operation & Maintenance Cell**

1. Under JICA (Japan International Cooperation Agency) assisted Amritsar Sewerage Project amounting to Rs. 600.60 Cr., the work for the construction of Interceptor/Trunk and lateral sewer in South & North Zone is in progress. In South zone area against the scope of work for laying lateral sewer 121.71 Km., Trunk sewer(RCC NP3) 26.96 Km., CIS/RCC HDPE 6.34 Km & house connection 17500 nos. In the South Zone, **Approx. 114.00 Km. lateral sewer, 25.61 Km. Trunk sewer (RCC NP3), CIS/RCC HDPE 6.34 Km. and 13550 nos. houses are connected with the sewer.** Similarly in North zone area against the scope of work for laying lateral sewer 270.02 Km., Trunk sewer(RCC NP3) 22.53 Km., Cast in situ 16.66 Km. and house connection 27500 nos. In the North, **Approx. 147.71 Km. lateral sewer, 26.11 Km. Trunk sewer(RCC NP3), 7.98 Km. Cast in situ(km), (M/s. OCR Progress 01 to 06 work) – 133.46 and 2486 nos.+13633 (OCR) houses are connected with the sewer.**

### **Physical Status of STP situated in North Zone:-**

**99% of Civil Work completed. Work of Aeration Tank, MPS, Pre- treatment unit, Primary Clarifier, Secondary Clarifier, Sludge Thickener, Primary Sludge Pump, Biological Sludge Pump, Supernatant Sump, Staff Quarters & Security Guard Room is completed. Construction of units such as, Bio Gas Storage Tank, Digester equipment building and finishing work is in progress.**

2. The project amounting to Rs. 202.34 Cr. in South-East zone of Amritsar Sewerage Project with a scope for providing Water Supply, Sewerage, Sewage Treatment Plants, Roads, Street Light, O&M for 10 years has been approved and the funding agency of this project is JNNURM/GoP/ULBs. The work has been allotted to the M/s. Shapoorji Pallonji & Co. Pvt. Ltd, SP Centre,41/44,Minoo Desai Marg,Colaba,Mumbai agency for Rs. 183.59 Cr. and the scope of work includes 47 Km. Water Supply line, 4 Nos. T/wells, 4 Nos. OHSRs, 7500 nos. house connection, 107.30 Km. Lateral sewer,17.50 Km. main sewer,20000 nos. house connection,1 No. MPS (90 MLD), 1 No. IPS (15 MLD),1 No. STPs (27.50 MLD), 173970 Sq.mtr CC. road, 218750 Sq. mtr metalled road and 3520 nos. street light points with O&M for 10 years. **Presently, 4 Nos. T/wells commissioned,44.00 Km Water Supply line laid,4 Nos. OHSR commissioned. 3510 nos. houses connected with water supply line. 80.50 Km Lateral Sewer,17.50 Km Main Sewer and 3590 houses connected with Sewer line. STP capacity of 27.50 (mld) work is in 63% and MPS(90 mld) work is in 45% progress at site. Existing Sewer cleaned & further in progress and 1735 nos. Street Light Pole installed and 1300 nos. wall points installed.**

**JICA assisted Amritsar Sewerage Project (ID-P186): Turnkey Design and Construction of 95 MLD Sewage Treatment Plant, Main Pumping Station at WadalaBhittewad (Near VillageGhausabad) and Intermediate Pumping Stations in North Zone on International Competitive Bidding for JICA-ASP-002**

**HEALTH DEPARTMENT**

In the month of October, 2018 Municipal Corporation, Amritsar has organized Swachhta awareness rally and Shramdaan program under the supervision of Ld. Commissioner and Mayor, in collaboration with Hindustan Petroleum Corporation limited. This Swachhta rally was organized under "Swachhta Hi Sewa" from Hall Gate to Golden Temple Galiyara. Awareness program by Swachhta Rath regarding SBM, SWM and open defecation was done in various wards of the city.

Door to door awareness campaign was carried out for the purpose of awareness of people with regard to Swachhta Sarvekshan 2019 and citizens were also made aware about the benefits of the Source Segregation and proper

waste management in ward Number 2, 3, 5, 19, 20, 22, 23, 53, 54, 68, 70, 81 & 83.

Intensive Swachhta drive was held in all the city and awareness campaign carried in out regard of health safety and food hygiene. A drive was made for "Say no to Plastic" and citizens were made aware about the source segregation and in-situ processing of the waste.

Municipal Corporation Amritsar in collaboration with Coca Cola Pvt. Ltd organized Food safety and Hygiene training programme (Parivartan) at Islamabad market in a multimedia equipped bus. Under this training programme street vendors were made aware about Swachh Bharat mission, food safety, Health & Hygiene and cleanliness of surrounding areas.

Poster Painting competition was organized by Municipal Corporation Amritsar in collaboration with Ministry of Housing and Urban Affair, at Maharaja Ranjit Singh Panorama Company Bagh. 150 students have participated in the Painting competition. During this occasion, Mayor of Amritsar Mr. Karmjit Singh, MCA, Commissioner MCA Mrs. Sonali Giri (IAS), Joint Commissioner MCA Sh. Nitish Singla and Arvinder Bhatti Ambassador of Swachh Bharat Mission, MCA Amritsar were present. At the end of competition programme participation certificate and position certificate were distributed to students.

Training program of safari sewaks of Zone south 1, South Zone 2 and East Zone 2 were organized and to make aware them about source segregation of waste and their safety.

## **LAND DEPARTMENT**

The Land department of Municipal Corporation, Amritsar has constituted two teams under the supervision of inspectors for the removal of temporary encroachments from foot paths and roads. Other than dealing with the complaints received in the department, these teams remove temporary encroachments in the different parts of the city. Removal of encroachments is an ongoing process and is being under taken on daily basis.

Other than this Enforcement Monitoring Committees have been constituted which conduct weekly meetings and are regularly removing permanent encroachments in different parts of the city at regular intervals.

Also, shopkeepers in the markets are being regularly requested through public address systems to keep their merchandise/goods within their shops/premises and not to display them on roads/footpaths. Other than regular removal of temporary encroachments from roads and footpaths from different parts of the city, major anti encroachments drives were carried out by the sub-enforcement committee's at Hall Gate, Ram Bagh, Majitha Road, Putlighar, Lohri Gate, Shakti Nagar and Chattiwind Gate. Also Land Department collected around Rs. 2.44 Lacs against Rent of shops and Rs. 4.93 Lacs against Tehbazari during the month.

**HALL GATE, RAM BAGH, MAJITHA ROAD, PUTLIGHAR, LOHRI GATE, SHAKTI  
NAGAR AND CHATTIWIND GATE**

**ADVERTISEMENT DEPARTMENT**

During the month of October, 2018, the Advertisement Department of the Municipal Corporation, Amritsar has collected revenue to the tune of Rs. 1.25 lacs as Advt. tax. During this period, 347 illegal hoardings/boards have been removed and taken into custody by the Municipal Corporation, Amritsar.

## AMRUT SCHEME

### Establishment of Citizen Facilitation Centre in the Municipal Corporation, Amritsar ( Main Corporation Building ).

Under the process of Implementation of E-governance, **Citizen Facilitation Centre** is part of E-governance. This will bring the following services online/offline .This will not only bring the efficiency in the work but also bring accountability and transparency. The details have been worked out by the committee constituted in this regard and which is as under.

#### The scope of work

1. **Property Tax Portal**: This application will include the facility for property tax collection through citizen facilitation centre of MC Office and also Online Payments (Credit Card / Debit Card / Net Banking) for citizens via centralized server with online payment gateway/SMS/Email Integration. The software is be strictly based on ordinance of Punjab Government. Any new update and modification will to be done from time to time accordingly.
2. **Online Water & Sewerage Application**: In this application the demand and billing of Water & Sewerage will be done and online payment facilities like net banking, debit card, credit card will be provided. This software will also be connected with the banks terminals for taking payments. For this purpose the secure software panel will be provided to the bank for just in time posting. The Android app for bill payment will also to be developed.

3. **Trade License Application**: This software will be online and the trade license will be provided to the applicant after authentication of the documents.
4. **GIS Data Maintenance**: GIS data maintenance will be done by providing GIS professional in Municipal Corporation.
5. **Payroll Management System**: The payroll management system will be developed and it will run online as well off-line mode.
6. **Notice printing of Defaulters**: Notices to the property tax/ water sewerage will be generated on one click with the system and same will transmitted by the sms's to the defaulters.
7. **Demand and collection Registers**: Demand and collection registers of property tax and water sewerage will be printed.
8. **Service Support Center**: For Attending Calls from citizens, Bank officials, Data Entry Operators, Supervisors and Municipal Officials regarding Help/Support for Softwares/Applications of Municipal Corporation Amritsar. Also managing Emails regarding Updatons/Modifications of entries (Data entry operation, Spelling Mistake, Wrong Payment Mode selected etc) after proper authentication.
9. **Reconciliation Process**: Reconciliations of Pending Online Payments/Chargeback (When User paid online payment but doesn't receive property tax challan/receipt or relative service) and Success Payment. These payments need to reconcile on daily bases.
10. **Audit of Online and offline Payments**: To provide relevant reports G-8 wise, service wise to account and audit branch on daily/weekly basis, to ensure required satisfaction of the department. The Audit objection (if any), it will be entire responsibility of the service provider.
11. **Customize Reports**: will provide various customize reports from time to time as per requirements of Municipal Corporation Officials.
12. **Security of the Data**: We have the first priority to keep the data secure and highly confidential.

13. **Server Traffic:** Monitoring Server Traffic / Load Sharing & providing 24x7 hours availability of server without any problem.
14. **Backups and Recovery:** Managing Backup of Contents, Databases of all Softwares and Services from server & keep them highly confidential.
15. **The web portal of the MC** will also be maintained by the vendor.
16. The well repudiated cloud based web space will be provided by the service provider. All SMS required for runtime transactions and for the office purpose in all services will be provided by the service provider.
17. To deliver the final registers/ledgers (Hard Copy) and soft copy of the data to the department.

For the implementation of above said project, detailed estimate has been prepared and total cost involved for operation & maintenance for Ist. year is Rs. 41,15,672/- and cost involved for operation & maintenance for 2<sup>nd</sup>& 3<sup>rd</sup> years will be Rs. 61,96,344/- and total cost involved for operation & maintenance for three years will be Rs. 1.03 Cr.

### **Augumentation and Rehabilitation of water supply at Sri Amritsar Sahib, Punjab (under AMRUT PROJECT)**

Under AMRUT Project, DNIT for Water Supply amounting to Rs. 67.00 Cr. was prepared by STC (Shah Technical Consultant) and has been sent for Govt. approval.

#### **SCOPE OF WORK**

<b>Distribution Network</b>	<b>- 327 Km.</b>
<b>House service connection with multi jet water meter</b>	<b>- 21769 Nos.</b>
<b>Rising Main DI K-9</b>	<b>- 1065 Rmt.</b>

**Drilling and Development of Tubewells. - 17 Nos.**

**Construction of Pump House. - 17 Nos.**
