Clean City Green City

Green cities have clean air and water and pleasant streets and parks. Green cities are resilient in the face of natural disasters and the risk of major infectious disease outbreaks in such cities is low. Green cities also encourage green behaviour, such as the use of public transit, and their ecological impact are relatively small.

MUNICIPAL CORPORATION AMRITSAR

CIVIL DEPARTMENT :

SMART CITY

As on the Progressive path towards Project Planning, Meetings and various activities were held with various stakeholders in the month of May, brief of each activity given below:

1. Meeting ICCC 15-16 May 2018:

A two-day workshop of prospective Bidders, OEMs and Solution Providers was conducted on 15th and 16th May 2018 at Bachat Bhawan, B-Block, Ranjit Avenue, Amritsar. This workshop was headed by Ms Deepti Uppal, IAS CEO, ASCL, Sh. Sunil Mahajan Nodal Officer, ASCL other dignitaries also present.

The objective of the workshop was to have insight of available solutions, new technologies, feedback and suggestions from industry for the Amritsar Smart City ICCC project.

Major bidders participated in this workshop submitted their presentation about the technological possibilities to achieve this goal. They shared information about various equipments and devices which can make the required system effective.

This would surely provide impetus to the proposed project and very soon turn Amritsar into a smart city.

This ICCC shall have video walls for real-time monitoring, emergency response and operations planning and shall be manned 24X7 by operations monitoring staff.

Towards this objective, an integrated smart city framework comprising of the following key enablers SMART GOVERNANCE, SMART LIVING, SMART PEOPLE, SMART MOBILITY, SMART ENVIRONMENT and SMART ECONOMY may be followed to facilitate implementation.

2. Public Meeting at Bolaria Park on 26th May 2018:

Development of the parks and open spaces of Amritsar city is a one of the major projects of Smart city mission amritsar. To get public opinion and suggestions ASCL organized a public meeting at Bolaria Park on 26th May 2018 at 7:30am. More than 200 people joined this meeting. Male, females, kids and young people were the part of it.

Prof. Balvinder Singh interacted with public and provided information of smart city Amritsar upcoming projects. Mr. Amit, Mr. Harsh and Simriti shared the proposed design of the Bolaria Park, giving details of all facilities. People shared their views and given suggestions. All participants were enthusiastic about the development of the park and showed deep interest to give their support also.

3. Seminar at DAV Public School, Lawrence Road:

A seminar was organized at DAV Public School, Lawrence Road on 29th May 2018. Prof. Balvinder Singh gave information about smart city to the students. Mr. Amit Kumar Singh informed about upcoming projects of smart city Amritsar. Ms. Deepti Uppal IAS, interacted with students and motivated them to be responsible citizens of smart city Amritsar.. Near about 400 students attended the seminar. Dr. Mrs. Neera Sharma, Principal of the school extended her grate regards to the authorities to choosing their school for this great cause.

Mr. Sunil ji, Gramin Vikas Handicrafts women and children welfare society appreciated the initiative of smart city Amritsar for making young generation aware about the development of the city.

Mr. Manu Chaudhry, Team Leader Amritsar Smart City presented the vote of thanks.

This was a successful attempt of organizing an awareness campaign in city.

Punjab Urban Development Mission

For the 100% development of Amritsar city under the urban mission (west, center, and south) the total no. works allotted under urban mission are 156 amounting to Rs.194.73 cr. out of which 83 no. of works has been completed and 73 Nos. of works are under progress.

HRIDAY SCHEME

1. Comprehensive road development and Up-gradation of major roads leading to the Golden Temple (Zone 1)

Around 14 number of roads have been identified under HRIDAY in the Walled City. The length of each road varies from 217m to 1780m. The Rows of all roads also differ in range from 3.86m to 15.68m

The objective of this project is as follows:-

- Road lightning is facilitated with architectural shape.
- Roads are strengthened with colour and texture for beautification.
- Roads are paved with different texture, shape and colour to segregate the pedestrian, cycle track and motor vehicle.
- Drains are converted into saucer drain on either side to increase the width of road and to avoid the stringent smell.
- Dustbins are placed at the available corners of roads.
- Provisions of signage are made at important junctions and nodes.

Present Status:

- **7 roads have been partially completed out of 14 roads.**
- **Storm sewer cleaning has been done on Hakima Gate road.**
- **Facade documentation work has been started on the Katra Ahluwalia Road.**

Progress of work:- 75%

2. Re-organizing connectivity and Linkages through Roadscape and Landscape improvement at Goal Bagh (Zone No.3)

The estimated cost of the project is 5 Crores

The focus of the DPR within the garden is on improving the underdeveloped areas of the site and providing visitor amenities and shaded areas as visitor resting spaces/ pause points. The detailed works being undertaken are:

- Landscaping and Horticulture works within the garden
- Provision of cycle track, jogging track and features for universal accessibility.
- Visitor amenities, such as toilets and street lighting

HEALTH DEPARTMENT

In the month of May, 2018 Municipal Corporation, Amritsar organized a special Sanitation Drive to clean surrounding areas near India Gate, Railway Station, Bus Stand and Golden Temple Challans were done in regard of Public Nuisance Act U/s. 323 and for Plastic Carry Bags.

Review meetings regarding Swachh Bharat Mission were also organized under the Chairmanship of Medical Officer of Health, Municipal Corporation, Amritsar.

For the establishment of processing plant (waste energy) meeting was held under the chairmanship of Ld. Mayor with the Sangarsh Committee and it was decided that a team will visit Jabalpur Waste to Energy Plant operated by the Concessionaire and this team will visit Waste to Energy Plant in month of June, 2018 and it was also decided in that meeting if the procedure of Jabalpur Plant is found Eco-friendly then same plant will be implemented at Bhagtanwala.

For the purpose of Bio-remediation of Chabaal road dumping site Concessionaire had installed ballistic separator and stated the Bio-mining and land reclamation process at Chabaal Road.

Information in regard of Municipal Solid Waste Management was also provided to MoUD team along with the proof for the facts mentioned in the letter.

Under Swachh Bharat Mission Photos & Longitude & Latitude data of Community & Public Toilets is uploaded on swachhbharaturban.in Portal. Data of Dump site Bhagtanwala & compost pits

LAND DEPARTMENT

The Land Department of Municipal Corporation, Amritsar has constituted two teams under the supervision of inspectors for the removal of temporary encroachments from foot paths and roads. Other than dealing with the complaints received in the department, these teams remove temporary encroachments in the different parts of the city. Removal of encroachments is an ongoing process and is being under taken on daily basis.

Other than this Enforcement Monitoring Committees have been constituted which conduct weekly meetings and are regularly removing permanent encroachments in different parts of the city at regular intervals.

Also, shopkeepers in the markets are being regularly requested through public address systems to keep their merchandise/goods within their shops/premises and not to display them on roads/footpaths. Other than regular removal of temporary encroachments from roads and footpaths from different parts of the city, major anti encroachments drives were carried out by the sub-enforcement committee's at Railway Station Goal Bagh, Chattiwind Chowk, Sultanwind Road & Hall Gate. Also Land Department collected around Rs. 3.70 Lacs against Rent of shops and Rs. 18.55 Lacs against Tehbazari during the month.

RAILWAY STATION GOAL BAGH, CHATTIWIND CHOWK, SULTANWIND ROAD & HALL GATE
