Clean City Green City

Green cities have clean air and water and pleasant streets and parks. Green cities are resilient in the face of natural disasters and the risk of major infectious disease outbreaks in such cities is low. Green cities also encourage green behaviour, such as the use of public transit, and their ecological impact are relatively small.

HEALTH DEPARTMENT

In the month of September, 2017 Municipal Corporation, Amritsar organized a special Sanitation drive to clean surrounding areas near Schools, college and Universities and Challans were done in regard of Public Nuisance Act U/s. 323 and for Plastic Carry Bags.

Review meetings regarding Swachh Bharat Mission were also organized under the Chairmanship of Medical Officer of Health, Municipal Corporation, Amritsar.

Swachhta pledge was taken by the students of all schools, colleges and Institutions, and also by all the employees of all offices and TRIs and ULBs.

Political, social and religious leader were present at the launch of the programme and NGOs were associated in mobilizing citizens for a wider participatory cleanliness drive. Rallies by school children, for the awareness in regard of Swachhta were organized.

The Common Citizens in villages as well as town along with volunteers from NSS, Nehru Youth Clubs were actively engaged for mass participation in "Shramdaan" activities. The management committees were engaged for monitoring Public Parks, Resident welfare societies and management committees of religious places will be exhorted to launch special cleanliness drive through common people.

The Residents Welfare Societies, Mohalla Committees, Trade & Industries, Associations, Market Associations etc. were encouraged to undertake massive Cleanliness drive.

Large scale cleanliness drives were carried out in schools, colleges, fruit & vegetable associations, market committees, hospitals and dispensaries by involving students, workers, officers and members of such committees.

Micro plan of Integrated Municipal Solid Waste Management Project for Amritsar cluster was also approved by the Government. Now the consortium of M/s. Essel Infra projects limited & M/s Hitachi Zosen India Pvt. Limited, Mumbai has started the work of collection & transportation of garbage from the outer city of Municipal Corporation, Amritsar w.e.f. 14th August, 2016. All the Sanitary Inspectors have been directed to inspect the working of the company and make sure that 100% lifting of garbage from the concerned areas is going on. M/s, Amritsar MSW Limited has started the garbage collection from 52 wards of the city. The company has been directed to ensure lifting of 100% garbage from all the wards of the outer city. Municipal Corporation, Amritsar filed an Affidavit before the Hon'ble NGT for their efforts to comply with the NGT directions contained in the order No. 70/2012 dated 25.11.2014 titled as Capt. Mall Singh Versus State of Punjab.

Joint Commissioner, Municipal Corporation, Amritsar hold meeting with sanitation staff along with the representatives of the Amritsar Municipal Solid Waste Limited regarding sanitation of the city. A random checking of the roads was done by the Joint Commissioner and necessary directions were issued to the Chief Sanitary Inspectors and Sanitary Inspectors to ensure 100% lifting of the garbage and cleaning of the roads. Operation of Collection and Transportation of MSW is smoothly done in the city except some exceptions due to rain and problems faced on the dumping site during rainy season.

All Chief Sanitary Inspectors and Sanitary Inspectors of Health Department were directed to promote Swachhta App at large scale in city for redressal of complaints regarding Sanitation works.

Special Night checking of Mechanical Sweeping work was done by the area Chief Sanitary Inspectors and Sanitary Inspectors and Senior Assistant Manager, PMIDC, Amritsar Cluster and directions were given to M/s. Amritsar MSW Limited as well M/s. Lion Services Ltd., Amritsar for improvement in their work. M/s. Amritsar MSW Limited has been directed to provide secondary point bins and M/s. Lion Services Ltd. Company has been directed to pick up the litters properly and carry it to dumping ground at Bhagatanwala the designated land for dumping of Municipal Solid Waste as well as Mechanical Sweeping Waste for Amritsar city. Medical Officer of Health, Municipal Corporation, Amritsar directed M/s. Lion Services Ltd. to install GPS on Tractor Trolleys used for garbage collection and transportation. Road length of Mechanical Road Sweeping was decreased because of company M/s. Lion Services Ltd. not having proper infrastructure and machinery to sweep the road length designated for them.

LAND DEPARTMENT

The Land department of Municipal Corporation, Amritsar has constituted two teams under the supervision of inspectors for the removal of temporary encroachments from foot paths and roads. Apart from dealing with the complaints received in the department, these teams remove temporary encroachments from different parts of the city. Removal of encroachments is an ongoing process and is being under taken on daily basis.

Besides this, Enforcement & Monitoring Committees have been constituted which conduct weekly meetings and are regularly removing permanent encroachments from different parts of the city at regular intervals.

The shopkeepers in the markets are also being regularly requested through public address systems to keep their merchandise/goods within their shops/premises and not to display the same on roads/footpaths. Apart from regular removal of temporary encroachments from roads and footpaths from different parts of the city, major anti encroachments drives were carried out by the sub-enforcement committees at Ram Tirath Road & Gawal Mandi.
