9.	COMMERCIAL KIOSK	4,31,997
	TOTAL	4,99,28,638
		Say Rs. 5 Crores

Scope of work:-

Gol Bagh is a vital open space is in vicinity of two important historic sites Gobindgarh fort and Durgiana Temple.

In this project access improvement and creation of linkages to Gol Bagh and connecting it with its surroundings so that this becomes an important interface between the railway station and the walled city.

In this project provision of public art, cycle tracks, creation of pedestrian friendly environment through table top crossings, ramps, bollards, shaped pathways (via tree plating), signage etc. The boundary wall along the road (at Durgiana Temple side) has also been proposed to improve the visibility as well as security. Some other vital components are as children park, Garden Gym, commercial kiosk, rain water harvesting.

REASONS FOR DELAY IN IMPLEMENTATION

- Implementation is underway
- Drawings from the DPR consultant are required to be revised based on site conditions. Recently on 6th April, 2012 visit was conducted by under Secretary MOUD at site and as per the site visit DPR consultant has been asked to incorporate suggestions from CMD and HCA in timely manner. Accordingly GFCD drawings will be submitted by DPR consultant on 12/4/17 to PMSU.
